Premium Feminine Intimate Hygiene

L'avance

Vaginal wash

Incidence of vaginal infections

Vaginal infections are very common, so much that 80% of women suffer from one or more vaginal infection at some point of their life.

Although the types of infections and their symptoms were different, most patients suffer from mixed infections.

Perfect formula

Italian pioneer formula contains the following ingredients:

Chlorhexidine di-gluconate	Powerful anti-septic agent regardless the infection causes (1).
Hexamidine	Powerful anti-septic agent (2)
Tea tree oil	Powerful natural bactericidal, fungicidal, anti-viral and lubricant (3,4,5)
Liquorice extract	Anti-viral, anti microbial, anti inflammatory and lubricant with amazing whitening effect for intimate areas (6,7).
Alum	Ensures the vaginal tightness effect (8,9)
Lavender perfume	Ensures Odor free, discharge free and Fresh lavender odor plus it's well-known vaginal tightness effect.

L'avance

Vaginal wash

Perfect anti-septic power

Contains 4 antiseptic agents:

Chlorhexidine

Studies on chlorhexidine demonstrated that in the short term, it is an effective treatment for both bacterial and mycotic vaginal infections, with over 90% cure rate (1).

Hexamidine

Hexamidine has demonstrated broad spectrum antimicrobial activity in clinical studies which shows to be useful in development of a safe and effective method (2)

Tea tree oil

Tea tree oil has been the subject of recent research into its beneficial effect on vaginal infections and shows to have antimicrobial properties and was especially successful in treating trichomoniasis (3,4,5), with Great anti-inflammatory action.

Liquorice

Liquorice contains numerous fungicidal and anti-viral compounds (6,7)

This ensures 100% free of all types of infection whether the cause was fungal, bacterial or others.

ONLY 30 SECONDS are more than enough to eliminate all types of vaginal infections.

Perfect physical properties:

L'avance is available in gel form with amazing lavender odor which ensures compliance and the odor free effect.

Perfect safety profile:

- 🌸 All components were generally recognized as safe by FDA.
- 🌸 L'avance maintains the vaginal PH which prevents the recurrence of infection and maintains the normal flora content.
- 🌸 The gel form with water rinsing technique prevents any type of ascending infection.
- 🌸 L'avance is safe in pregnancy
